 24 Kayode st. Ebute - Igbogbo road Ikorodu Lagos state.

 <https://github.com/jimohsegun1>

I'm a passionate Frontend, MERN Stack web and Mobile Developer who loves building fast, scalable, and user-friendly applications using tools like Javascript, Python React, React-Native, Next.js, Typescript, Node js, and Expressjs. I enjoy turning complex ideas into smooth, cross-platform experiences, I thrive when working closely with designers, backend engineers, and product teams to bring great products to life. I'm also deeply curious about Machine Learning and excited by the potential of AI-driven technologies.
